

Global Conflict and the Geopolitics of US-China Relations

By [Prof Michel Chossudovsky](#)

Asia-Pacific Research, November 01, 2015

With reports emerging that China has signed on to Russia's military coalition in Syria at the same time that the Chinese are signing new cooperation agreements with the US, the question is once again being raised:

What is the nature of China-US rivalry?

Today Michel Chossudovsky talks about the forces in both countries that are manipulating this conflict and what it means for the prospects of future war.

This is the GRTV Feature Interview with our special guest, Michel Chossudovsky.
